

INTENTIONAL MIND

A journey to positive thinking

With Dr. Ralph Martin

Matthew 9:27-30..... As Jesus left the house, He was followed by two blind men crying out, "Have Mercy, Son of David! Mercy on us!" When Jesus got home, the blind men went in with him. Jesus said to them, "Do you really believe I can do this?" They said, "Why, yes, Master!" Jesus then touched their eyes and said, "Become what you believe"
Verse: 30 ... **And It happened!**

****For this Divine Intent to become activated in your daily life, you must create the proper “Environment.”** When this proper environment is created, a **Divine Pull** will automatically take over the process of manifestation. You must have a focused desire to surrender and allow this **Divine Pull** to process the manifestation of your Intended Purpose, and your reason for being here on this planet at this appointed time of your life to accomplish your Divine purpose.

There is a Divine Intent Operating within every person's life;

A Daily Confessional:

- [1]- **Acknowledge** there is a Divine Intent in ME
- [2]- **Confess** this Divine Intent in ME
- [3]- **Surrender** to this Divine Intent within ME
- [4]- **Desire** this Divine Intent to have its complete work in ME
- [5]- **Allow** this Divine Intent to work within MY spirit and soul
- [6]- **Feel** this Divine Intent working inside MY spirit man
- [7]- **Love** this Divine Future Pull of Intent inside MY spirit

Example: Every acorn that falls from a tree has **within itself a coded DNA of a tree**. When this acorn is planted in the right environment, the “tree-ness” within the acorn will automatically germinate into a visible manifestation of its inside coded DNA.....

3 fold purpose of the Acorn === (1)- A Tree....

Tree is in its Acorn SEED

The proper environment for this Acorn BECOMING into a Tree is for a squirrel or a chip-monk to gather it and hide it (stored away) in the ground and then to “Forget” where exactly where it was hidden.....**Gold Nugget**... sometimes it's a blessed thing that you've been forgotten

(2)- Squirrel - Chip-monk food....

(3)- Decay and become Ant food...

Whichever way the simple acorn has a “Divine Purpose”
